PAULS' Buffalo Address Book has been published regularly since 1882. In 32 years it has grown in importance and it has now become a volume of between 700 and 800 pages.

We employed very competent men in making our house canvass, and used every means possible to procure the information, that we might be able to publish a Family Directory as free as possible from errors.

All business houses find Pauls' Address Book a valuable guide in their various departments and it has to be consulted many times daily.

For Social and Business purposes it is found useful daily. It contains the names of householders, Adult members of each family, permanent boarders or residents of families, personnel of the press, officers of clubs and societies, and list of Apartment houses.

Owing to the changes going on continually in a large city like Buffalo, sections of residential streets have become entirely business centers. Such locations have been omitted and many new streets added not here tofore to be found in Pauls' Address Book.

Pauls' Buffalo Address Book is the ONE Book continually consulted, by Business Houses, Societies, Public Institutions or the Social World when sending out Announcements, Invitations or Appeals for Charity. Its unique arrangement of the street list commends itself immediately upon examination, being a valuable saver of time and labor.

As an advertising medium, Business houses endorse Pauls' Address Book as offering a field unusual and one has but to examine the issues dating back for many years to satisfy oneself of the truth of this assertion.

Copies can be purchased of the Publishers, PETER PAUL & SON, 136 North Pearl Street; OTTO ULBRICH CO., 386 Main Street; BESSERS' Incorporated, 544 Main St.; MAX. F. DREWELOW, 586 Main Street.

FOR seventy-eight years this store
has maintained a commanding
leadership

In Authoritative Styles

*In the Character and
Variety of Merchandise*

*In the Prestige of Good
Values*

*In a Service that Aims
at Absolute Perfection*

It is a store whose policies are broad and liberal; whose development has been constant and substantial and whose growth and permanence are assured through continued adherence to business principles that are uncompromisingly fair and honest.

**The Wm Hengeler Co.**

THE policies of a progressive store should change to meet changing conditions. Some policies, however, this store will *never* alter. There must be a strict adherence to the truth, whether expressed on printed page, price ticket or by word of employees. This is one of the fundamental policies adopted by those who organized this business seventy-eight years ago. : : : : : :

What We Tell is True
What We Sell is True

Our commanding position in the mercantile field is largely due to the constant application of this principle in our business. : : :
